SEXUAL ASSAULT AWARENESS MONTH APRIL 2025

WHEREAS, April marks Sexual Assault Awareness Month (SAAM): a time to bring attention to the widespread issue of sexual violence and empower communities to take action. This year's theme,

"TOGETHER WE ACT, UNITED WE CHANGE," highlights the power of working together to create safer, more respectful environments for all, and;

WHEREAS, sexual abuse, assault, and harassment affect individuals of every background. To address this, we must promote education around consent, healthy communication, and bystander intervention. By equipping individuals and communities with these tools, we can help prevent violence before it starts and foster a culture of respect and care, and;

WHEREAS, central to this campaign is the importance of amplifying the voices of survivors, especially those most vulnerable in our communities. Their experiences must be heard and acknowledged, and their stories should guide our efforts to combat sexual violence in all its form, and;

NOW, THEREFORE BE IT RESOLVED, everyone in our communities deserves to live in safe and supportive environments where they are treated with respect. When our workplaces, schools, and communities work together to uphold safety and respect, we make progress in preventing sexual abuse, assault, and harassment.

BE IT FURTHER RESOLVED, that the Todd County Board of Commissioners does hereby proclaim April 2025 Sexual Assault Awareness Month and calls on all individuals, communities, and organizations of Todd County to take action to prevent sexual violence. Each day of the year is an opportunity to create change for the future.

On motion by Denny and second by Noska, the following resolution was introduced and adopted by unanimous vote:

NATIONAL CRIME VICTIMS' RIGHTS WEEK APRIL 6 – 12, 2025

WHEREAS, Americans are the victims of more than twenty million crimes each year, affecting not only individuals, but their communities too, and;

WHEREAS, many victims face barriers – such as isolation, distrust of authorities, language limitations, lack of transportation, or cultural barriers – that keep them from accessing the services and criminal justice systems that can help them recover from crime, and;

WHEREAS, dedicated victim service providers work every day to meet the needs of crime victims, yet there are still too many victims without meaningful access to rights and services, and;

WHEREAS, crime victims' rights acts passed here in Minnesota and at the federal level have provided victims with ways to participate meaningfully throughout the criminal justice process, and;

WHEREAS, the rights of crime victims are best protected when all participants in the criminal justice process – not only victims – are properly educated about victims' rights, and;

WHEREAS, we must respond to crime and violence by helping victims access the justice, assistance, and support they need to rebuild their lives, and provide a sense of hope for their future, and;

WHEREAS, Hands of Hope Resource Center is hereby dedicated and committed to ensuring that accessible, appropriate, and trauma-informed services are offered to all victims of crime.

NOW, THEREFORE, BE IT RESOLVED, the Todd County Board of Commissioners do hereby proclaim the week April 6-12, 2025, as

REQUEST FOR A SPEED LIMIT STUDY ON COUNTY ROAD #11 NEAR ADAMS DRIVE

WHEREAS, on June 16th, 2020 the Todd County Board of Commissioners passed a resolution requesting the Minnesota Department of Transportation to conduct a speed limit study on County Road 11 from the Stearns County Line to Ada Drive in order to determine a reasonable and safe speed limit, and;

WHEREAS, on November 23rd, 2020 the Minnesota Department of Transportation submitted a letter to the Todd County Engineer recommending "No Change in the 55 MPH speed limit at this time" after completing an engineering and traffic investigation, and;

WHEREAS, due to some recent traffic crashes on County Road 11 near Adams Drive some Todd County residents have expressed concerns over the appropriateness of the 55 mile per hour regulatory speed limit on County Road 11 from the Stearns County Line to Ada Drive in Kandota Township, and;

WHEREAS, by Minnesota Statute 169.14, Subdivision 5, local authorities can request the Commissioner of the Department of Transportation to authorize a speed limit on a local (non-trunk highway) roadway.

NOW, THEREFORE BE IT RESOLVED, that the Todd County Board of Commissioners does hereby request the Commissioner of Transportation to make the necessary investigation to determine the reasonable and safe speed limit, as provided in Section 169.14, Subdivision 5, of the Minnesota Statutes, on Todd County Road 11 from the Stearns County Line to Ada Drive in Kandota Township.

November 23, 2020

Loren Fellbaum Todd County Engineer 44 Riverside Drive Long Prairie, MN 56347

Subject: Speed Zoning - Todd CSAH 11

Dear Mr. Fellbaum,

As requested, an engineering and traffic investigation has been completed to determine the safe and reasonable speed limit on County State Aid Highway (CSAH) 11, between the Stearns/Todd County Line to Ada Dr in Kandota Township. No change in the 55mph speed limit is recommended at this time.

Our recent study consisted of a road review, test drives, and speed checks. The speed check occurred approximately 5600ft north of the Stearns/Todd County Line. The check shown the 85th percentile speed for north and southbound CSAH 11 is 60mph and speeds ranged from 47mph to 64mph. Test drives confirmed that 55mph is a reasonable speed.

The total crash rate of 1.193 for the segment is greater than the statewide average for similar roadways however under the critical crash rate of 1.400. The dominant crash type is single vehicle run off the roadway.

With the results of the above-mentioned data a regulatory speed limit lower than 55mph is not justified at this time.

If you have any questions pertaining to retaining the statutory speed limit, please feel free to contact either Jack Austin (320-259-6132) or myself (218-282-5771)

Sincerely,

Kenneth Hansen Digitally signed by Kenneth Hansen Date: 2020.11.23 18:06:52 -06'00'

The observed crash rate is the number of crashes per million vehicle miles traveled (MVMT). The critical rate is a statistical comparison based on similar trunk highways statewide. An observed crash rate greater than the critical rate indicates that the section operates outside the expected, normal range. The critical index reports the magnitude of this difference.

The observed total crash rate for this period is 1.19 per MVMT; this is 15% below the critical rate. Based on similar statewide segments, an additional 2 crashes over the five years would indicate this section operates outside the normal range.

The observed fatal and serious injury crash rate for this period is 0.00 per 100 MVMT; this is 100% below the critical rate. The section operates within the normal range.

THANK YOU FOR THE OPPORTUNITY

We are thrilled for the opportunity to partner together on your project. The terms and conditions below outline a working understanding for the project journey and is intended to set both organizations up for success. If you have questions or concerns, please contact us directly.

QUOTES AND PRICING

Please review your final project plan and quote to confirm it will fit your space and workplace needs. Quoted prices are good for 14 days from the date of the proposal. Due to the volatile transportation conditions in 2022 & 2023, freight will be billed based upon actual. Unless otherwise noted, prices quoted do not include sales, use, excise, or other applicable taxes. Any applicable taxes will be added or adjusted on the invoice at the time of billing. Buyers exempt from taxes should provide Innovative with copies of exemption certificates prior to placing the order.

DESIGN AND ORDERING

Innovative's Design team will work with you and/or your team to design a space that is customized to your budget, style and unique needs to transform your space/s and bring your vision to life. If you do not want to move forward with us on a project, the design work remains the exclusive property of Innovative Office Solutions and we reserve the right to invoice you for the design costs incurred.

NEED FOR DEPOSITS

A deposit of 50% of the order is required on all projects in excess of \$10,000. The deposit is essential as our vendor partners require payment from us when placing orders. Once the deposit is received, we will place your order. Payments must be in the form of check, ACH or wire transfer. Credit cards are not accepted for deposits or other furniture payments over \$5,000.

PAYMENT TERMS

Our Innovative team will send invoices following delivery and installation completion. To ensure a seamless accounting experience, please send payment within 30 days of the invoice date. It is not uncommon for a project to be substantially complete, except for a few punch list items. We appreciate you paying your invoice in full. Innovative will complete your project when outstanding items and/or parts become available.

Once we receive the sign off on design plan and proposed budget, your order will be placed. Due to the customization of many projects, once orders are placed, most products are not returnable. After 30 days, we will provide a quote to continue to store your product, as we want to make sure it is safe and in a secure location.

DELIVERY AND RECEIPT OF PRODUCT

We will contact you once we are notified your product has been shipped and is on its way. Your product will be delivered during regular business hours. In order to provide an exceptional delivery experience, we ask that you inform us of any unique circumstances that a driver or install team may face during a delivery. Section 7.22 Sick Hour Conversion

(a) Employees who have accrued over 1040 of sick hours will have 50% of those hours converted to cash and deposited into their post-retirement health care savings account. The conversion will take place once a year at year-end.

Section 7.23 Todd County HCSP for Elected Officials

- (a) A plan for elected offices including the county attorney, auditor-treasurer, recorder, sheriff and county commissioners has been developed as they are ineligible to participate in the plan outlined under Section 7.17 since they do not accumulate sick leave severance benefits. In an effort to balance this, elected officials are afforded an opportunity to participate in the HCSP under this program:
 - (i) Elected officials who have completed at least one term shall contribute 1% (percent) of their annual salary into the HCSP plan.
 - (ii) The county of Todd shall contribute into the HCSP a lump sum payment of \$3,000 per term upon completion of their second term and subsequent terms thereafter.

Section 7.24 Employee Recognition Service Awards (Rev. 2/18/25)

- (a) The county believes that a program to recognize county employees who make significant contributions and demonstrate their commitment during the performance of their duties result in higher morale and productivity among all employees and permit the county to fulfill its statutory responsibilities in an efficient and cost-effective manner thereby serving a public purpose. Minnesota Statute 15.46 allows for County Boards to establish employee recognition and wellness programs.
- (b) Eligibility: All regular, full-time and regular, part-time employees. Seasonal and temporary employees are not eligible for bonus payments.
