FEE POLICIES AND PROCEDURES

I. TODD COUNTY HEALTH & HUMAN SERVICES FEE POLICY

POLICY STATEMENT

Todd County Health & Human Services is a county-operated and State supervised organization established to provide therapeutic, educational, supportive and consultative services for persons experiencing financial, health, or social problems.

In order to support the variety of services this Agency provides to Todd County residents, the Todd County Board must supplement Federal and State funds with local tax dollars. Fees charged to service recipients by this Agency are primarily used to offset the amount of local taxes required. The collection of fees is either mandated or permitted by State Statute/Rule (Minnesota Statute 256M.60, subd. 6; Chapter 402; Chapter 393; Minnesota Statutes 252.27, Chapter 119B; 260B.331; 260C.331; 373.41; 245A.10; 245.481, 254B, 256M) or Health & Human Services Board authorization.

Sliding fee scales are typically based upon the annual gross income and household size of the service recipient(s). People who are fee-eligible are billed on a monthly basis for services provided. At no time does a charged fee exceed the total cost of the services provided. Fee scales will be adjusted annually to the Federal Poverty Level or if necessary to comply with any Federal or State Statute or Regulation. All fees are subject to change with State statute changes.

III. DEFINITIONS AND DESCRIPTIONS

Definition: Income includes, but is not limited to, income received from wages or salaries, net income (excluding depreciation) from self-employment, net farm income (excluding depreciation), Social Security payments, dividends, interest, rent received, royalties, pensions, annuities, Unemployment Compensation, Workmen's Compensation, alimony, child support, Veteran's pensions, or any combination of these sources of income.

Definition: Adjusted Gross Household Income shall mean total annualized cash receipts before tax deductions from all sources of income for all members of a household.

Definition: Household Size shall mean all persons who occupy a housing unit, whether they are related to each other or not.

Definition: Federal Poverty Level is the annual income level based upon household size and adjusted gross household income as defined in the annually updated poverty guidelines of the Federal Register under the authority of the Federal Health and Human Services Department.

DESCRIPTIONS:

A. CHILD CARE LICENSING/RENEWAL

1. Licensing/Renewal Applications

Applicants requesting an initial child care license are assessed a fee of \$50.00 for a one-year license. Applicants renewing a child care license are assessed a \$50.00 fee for a one-year license or \$100 for a two-year license. No fee will be charged for an additional licensing inspection for a change of premises (See Appendix A).

2. Background Study

Applicants requesting a child care license are responsible for completing required criminal background checks, including costs associated with obtaining a background study.

B. SUBSTANCE USE DISORDER (SUD) COMPREHENSIVE ASSESSMENTS

A client may be charged a fee up to \$200.00 for a Substance Use Disorder Comprehensive Assessment based on gross income, using the Social Services Agency Sliding Fee Scale. Those persons whose income is below 100% of Federal Poverty Level will not be assessed a fee (See Appendix D).

C. CORPORATE ADULT FOSTER CARE LICENSING/RENEWAL

1. Background

Minnesota Statute 245A.10, Subd. 2(e), indicates that a county agency may charge a fee to an adult or child Foster Care corporate applicant or corporate license holder to recover the actual cost of licensing inspections, not to exceed \$500.00 annually. This law was effective August 1, 2008.

2. Policy

Todd County Health & Human Services charges \$500.00 for an initial two-year license and bi-annual renewals, to recover the costs of the licensing inspection at the time of initial application and renewal application for each corporate foster care application.

3. Procedure

Payment of \$500.00 for licensing inspection per foster home must be received by Todd County Health & Human Services along with a signed application for a corporation foster care license, before licensing inspections will take place for new licensing or renewal. In no case will fees be returned for licensing inspections if the corporate foster home is not licensed.

D. DETOXIFICATION SERVICES

Fees for chemical abuse detoxification services are charged to persons whose household income is above the Federal Poverty Level. The fee will be based on the total cost incurred by Todd County for the service. The fee is charged using the Social Services Agency Sliding Fee Scale. Those persons whose income is below 100% of Federal Poverty Level will not be assessed a fee (See Appendix D).

E. FOOD, POOLS & LODGING LICENSES

The purpose of Food, Pools & Lodging licenses are to provide standard fees for establishments including food and beverage establishments, lodging establishments, manufactured home parks, recreational camping areas, special events, youth camps and public swimming pools and spas to protect the health, safety and general welfare of the citizens and visitors of Todd County. Applications may be obtained on the Todd County website (Environmental Health Fee Schedule-see Appendix F).

F. OUT-OF-HOME PLACEMENTS – Parental Fee Policy

The purpose of a parental fee assessment is to determine the ability of the parents to continue to provide financial support for their child/children while in out of home placement. The parental fee assessment focuses on the parent(s) who had physical custody when the child left the family home and non-custodial parents who do not pay child support. Parental fees will apply to the parents of a child taken

into custody either voluntarily or involuntarily by Todd County Health and Human Services.

Any child support due on behalf of the child will be redirected to Todd County, where allowed by State statute or State policy. The child support program will continue to manage child support from the non-custodial parent. No parental fee will be assessed to a non-custodial parent who is currently paying child support.

No fee will apply to parents who are currently on cash and food assistance or that will become eligible for cash and /or food support assistance as soon as the child returns home. If the child is IV-E eligible, no parental fee will be assessed.

Placement costs for children placed out of the home less than 14 days will be the responsibility of the parent, regardless of parental income. No reduction will be made to the total placement cost.

Some children that enter foster care have unearned income. A child's unearned income is defined as income and resources attributable to the child including but not limited to social security, SSI, veteran's benefits, railroad retirement benefits, adoption subsidies, child support, trust and conservatorships. All of the child's income must be remitted to Todd County for the cost of the child's care. See MN Statute 260B and 260C (See Appendix B-C).

G. PUBLIC HEALTH SERVICES

Public Health Services include public health nurse home visiting, public health nursing clinics, dental varnishing, lead screening, immunizations, and other health related and family-based services. Fees are assessed when no third-party payment or grants are available (See Appendix E).

H. RELEASE OF RECORDS

It is the policy of Todd County Health and Human Services to follow State Statute 144.292 for patient access to health records, notice of patient rights, release of information, copies of health records, allowable costs and situations when health records may be withheld from a patient (See Appendix G).

Todd County Health & Human Services will charge fees to provide non-health related records according to the Todd County Fee Schedule / General County fees in place on the date of the request. Requests for data are directed to: Todd County Health & Human Services, Attn: Data Request. Appropriate signed releases, verification of identity, and payment are required prior to the release of any agency records.

I. STEP PARENT ADOPTION

- **Background Studies**

Changes to Minnesota Statutes 245A and 260 effective July 2007 require step-parents to submit fingerprints to the Federal Bureau of Investigation and Department of Human Services prior to a finalization of the adoption. Payment of \$15.00 for the background study is due when step parent returns completed fingerprint card(s), receipt from Sheriff's department, Authorization & Release of Information forms, and Consent and Request for Law Enforcement and Agency Records form to Todd County Health and Human Services. Payment may be made by personal check or money order to Todd County Health and Human Services

- **Post Placement Assessments**

Court ordered Post Placement Assessments for step parent adoptions are provided by a Social Worker in the Health & Human Services department. Cost for the assessment is \$250.00 for an assessment that does not exceed two hours. Assessments requiring longer time may be charged an additional hourly rate of \$125.00. The maximum charge for a post placement assessment is \$500.00

J. REPRESENTATIVE PAYEE PROGRAM

Social Security's Representative Payment Program (Rep Payee) provides financial management for

the Social Security (SS), Supplemental Security Income (SSI) and Retirement, Survivors, and Disability Insurance (RSDI) payment of beneficiaries, who are incapable of managing their SS, SSI or RSDI payments. When friends and family are not able to serve as a payee, Social Security Administration (SSA) looks for qualified organizations to be a representative payee.

Todd County administers this program under MN Statute 524.5-502 – Compensation and Expenses. If there is a fee charged for this service, it will be no more than the maximum allowed by SSA, unless specific criteria are met. The charge may increase each year due to an annual Cost of Living Adjustment (COLA) and with notice to the client.

K. OTHER SERVICES

Third party payment will be sought by a Provider prior to the County paying for the cost of a service. The County is the payor of last resort. If the County pays any of the cost of services, including but not limited to: psychological evaluations, 72 hour holds, pre-commitment costs, commitment costs or child day treatment, etc. reimbursement may be sought from the client, or the client's parent(s) if the client is a minor, based on their ability to pay using the Agency Sliding Fee Scale. The fee is based on the full cost of the service, less any third-party payments. (See Appendix D)

IV. REVENUE RECAPTURE

Todd County Health & Human Services (TCHHS) files revenue recapture on debts with a balance owing, according to guidelines outlined in MN Statute 270A.03. The client is notified by mail of this action within the timeline requirements of the Statute.

This policy includes client accounts that have been charged the full cost of service due to non-cooperation with the fee process, the debt has not been reduced to judgment, and all appeal rights have expired. Also included are debts incurred on a sliding fee scale. Outstanding debts may be filed for revenue recapture at any time as deemed necessary.

When money is received from a Department of Revenue intercept and the intercept pays the full balance of the client account, TCHHS will release the debt and consider the claim paid in full.

When money is received from a Department of Revenue intercept and the intercept pays only a portion of the client's account, the payment will be applied to the client account to reduce the balance owing.

1. If the fee owed to TCHHS is less than the intercepted amount the account will be reduced to zero and Minnesota Department of Revenue will be contacted for refund instructions on the overpayment amount.
2. If the fee owed to TCHHS is more than the intercepted amount, the account will be reduced to the remaining balance owed.

V. CO-PAYMENTS, DEDUCTIBLES, SPENDDOWNS

Todd County Health & Human Services (TCHHS) will not be financially responsible for co-payments or deductibles due a provider on behalf of a client.

TCHHS remains the payor of last resort. Providers must bill for any available third-party financial coverage prior to billing TCHHS for any remaining balance. Providers will be required to include an Explanation of Benefits and/or denial notice from any third-party carrier when sending TCHHS billings for any balance owed.

TCHHS will bill clients directly for any spenddown or deductible assessed by DHS. Failure to pay a spenddown or deductible may result in further collection action, which may include revenue recapture, collection charge(s), garnishment, and/or legal action.

If a client receives payment directly from an insurance company for services rendered, that client is responsible to turn over all payments to the provider/billing agent within seven (7) days of receipt. Failure to turn over payments may result in further collection action, which may include billing for the full cost of the service, revenue recapture, collection charge(s), garnishment, and/or legal action.

Only in a hardship situation will TCHHS consider payment of a client's co-payment or deductible. A hardship situation may include a provider refusing services to a client without payment of co-payment or deductible by TCHHS. Any hardship requests will be forwarded to the Unit Manager/Supervisor to make recommendation to the Agency Director.

If contract language states that TCHHS must provide or pay in advance for services, any co-payments, deductibles or spenddown owing will be billed to the responsible party. For payments made to a provider, the provider needs to submit copies of the Explanation of Benefits and/or denial of services in order to receive payment.

VI. APPEAL PROCEDURES

A client may appeal to the Agency, if he/she feels that a fee should be waived or varied for special and unusual circumstances.

Appeal procedures are as follows:

1. A client who appeals must do so in writing, stating the reasons a fee should be waived.
2. An appeal must be filed within thirty (30) days of the first billing of a fee. The appeal shall be directed to the Collections Officer.
3. When a fee variance request concerns an account with a total balance less than \$250, that request will be approved/denied by the Agency Director.
4. When a fee variance is requested for an account with a balance exceeding \$250, a panel of three (3) Health & Human Services Supervisors review the request and determine if the waiver request will be recommended and for what length of time. The requestor may be asked for further information beyond what is initially submitted. The Collections Officer will notify the requestor with the date and time of the review hearing.
5. If the request for waiver or variance is denied, the results of internal appeal hearings are presented to the Health & Human Services Director for approval. The requestor will be informed if any further appeal is available (i.e., County Health & Human Services Board, or Minnesota Department of Human Services).
6. If the fee is Court Ordered, the fee payor may request the Court to modify the fee.

VII. BAD DEBT WRITE OFF POLICY

A debt owed to Todd County Health & Human Services may be written off if it meets the following criteria:

1. When a debt has reached the Statute of Limitations (6 years non-judgment, 10 years judgment) without payment, the debt may be decertified for revenue recapture and written off.
 - Exception: if payment is made on the claim, the date of the last payment is used to establish the beginning date for the Statute of Limitations.
 - Exception: If the debtor is known to own real property and the debt is in judgment, then the judgment should continue to be renewed.
2. Bankruptcy – if the debt is discharged by the federal bankruptcy court within Chapters 7 or 13, the debt may be decertified for revenue recapture and written off.
3. Death – when debtor is deceased and all collection efforts have been exercised, the debt may be written off.
4. Minimum balance accounts - when the debt is \$15 or under with no response or payment after 90 days, the debt may be written off.

Child Care Licensing Policy

1. A signed application and a money order or cashier's check for \$50.00 must be made out to Todd County Health & Human Services and received by Todd County Health & Human Services before any licensing processing will begin. Cash or personal checks will not be accepted. At renewal, providers may choose to purchase a one-year license for \$50.00, or a two-year license for \$100.00.
2. In no case will fees be returned for background studies that result in the family child care home not being licensed.
3. Fees will not be returned for licensing inspections that result in the family child care home not being licensed. Homes choosing not to complete the license process due to results of the fire inspection and not wanting to make necessary changes or for their own personal reasons will not be reimbursed their application fee.
4. If notified your home will require a State Fire Marshal inspection, applicant is responsible for the additional fees required for that inspection. There is a \$50.00 fee for each home inspection by the Fire Marshal. (MN Statute 245A.151). This requires a cashier's check or money order made out to "State Fire Marshal."
5. All fees are subject to change with State statute changes.
6. Detailed information to begin the child care licensing process may be found on the Todd County website.

Out of Home Placements - Parental Fee Definitions

Household Size: Parents and their dependent children under age 18, whether or not they are temporarily absent from the household, are considered household members. Adult children (no longer in high school and 18 years old) living with their parents are considered a separate household.

Household Income: Household income includes but not limited to gross wages, social security, veteran's benefits, pensions, worker's compensation, re-employment insurance, insurance benefits or payments, union or strike benefits, maintenance, loans, grants or scholarships, income from trusts, stock dividends, interest, lump sum payments, contract for deed income or rental income. Step parent income is not considered as income for the purposes of establishing a parental fee.

There is **no maximum fee**; however, the fee will never exceed the cost of care. Any payments received from a third party, such as an insurance company, will be deducted from the cost of care. The combination of the child's unearned income, third party recovery and the parental fee will not exceed the child's cost of care. A parent must remit to Todd County Health and Human Services, any health insurance benefits received on behalf of the child.

Parents who refuse to provide income information or household size shall be considered financially responsible for the full cost of out of home placement. Parental non-cooperation will also be reported to the County Attorney and the Courts.

Revenue Recapture: Unpaid parental fees will be submitted to the Minnesota Department of Revenue for recoupment.

Federal Poverty Level: No parental fee will be assessed for families earning less than the federal poverty level for family size including the child/children in out of home placement.

2025 Minnesota Statutes

144.292 PATIENT RIGHTS.

Subdivision 1. **Scope.** Patients have the rights specified in this section regarding the treatment the patient receives and the patient's health record.

Subd. 2. **Patient access.** Upon request, a provider shall supply to a patient within 30 calendar days of receiving a written request for medical records complete and current information possessed by that provider concerning any diagnosis, treatment, and prognosis of the patient in terms and language the patient can reasonably be expected to understand.

Subd. 3. **Additional patient rights.** A patient's right specified in this section and sections 144.293 to 144.298 are in addition to the rights specified in sections 144.651 and 144.652 and any other provision of law relating to the access of a patient to the patient's health records.

Subd. 4. **Notice of rights; information on release.** A provider shall provide to patients, in a clear and conspicuous manner, a written notice concerning practices and rights with respect to access to health records. The notice must include an explanation of:

(1) disclosures of health records that may be made without the written consent of the patient, including the type of records and to whom the records may be disclosed; and

(2) the right of the patient to have access to and obtain copies of the patient's health records and other information about the patient that is maintained by the provider.

The notice requirements of this subdivision are satisfied if the notice is included with the notice and copy of the patient and resident bill of rights under section 144.652 or if it is displayed prominently in the provider's place of business. The commissioner of health shall develop the notice required in this subdivision and publish it in the State Register.

Subd. 5. **Copies of health records to patients.** Except as provided in section 144.296, upon a patient's written request, a provider, at a reasonable cost to the patient, shall furnish to the patient within 30 calendar days of receiving a written request for medical records:

(1) copies of the patient's health record, including but not limited to laboratory reports, x-rays, prescriptions, and other technical information used in assessing the patient's health conditions; or

(2) the pertinent portion of the record relating to a condition specified by the patient.

With the consent of the patient, the provider may instead furnish only a summary of the record. The provider may exclude from the health record written speculations about the patient's health condition, except that all information necessary for the patient's informed consent must be provided.

Subd. 6. **Cost.** (a) When a patient requests a copy of the patient's record for purposes of reviewing current medical care, the provider must not charge a fee.

(b) When a provider or its representative makes copies of patient records upon a patient's request under this section, the provider or its representative may charge the patient or the patient's representative no more than the following amount, unless other law or a rule or contract provide for a lower maximum charge:

(1) for paper copies, \$1 per page, plus \$10 for time spent retrieving and copying the records;

(2) for x-rays, a total of \$30 for retrieving and reproducing x-rays; and

(3) for electronic copies, a total of \$20 for retrieving the records.

(c) For any copies of paper records provided under paragraph (b), clause (1), a provider or the provider's representative may not charge more than a total of:

- (1) \$10 if there are no records available;
- (2) \$30 for copies of records of up to 25 pages;
- (3) \$50 for copies of records of up to 100 pages;
- (4) \$50, plus an additional 20 cents per page for pages 101 and above; or
- (5) \$500 for any request.

(d) A provider or its representative may charge a \$10 retrieval fee, but must not charge a per page fee or x-ray fee to provide copies of records requested by a patient or the patient's authorized representative if the request for copies of records is for purposes of appealing a denial of Social Security disability income or Social Security disability benefits under title II or title XVI of the Social Security Act. Notwithstanding the foregoing, a provider or its representative must not charge a fee, including a retrieval fee, to provide copies of records requested by a patient or the patient's authorized representative if the request for copies of records is for purposes of appealing a denial of Social Security disability income or Social Security disability benefits under title II or title XVI of the Social Security Act when the patient is receiving public assistance, represented by an attorney on behalf of a civil legal services program, or represented by a volunteer attorney program based on indigency. The patient or the patient's representative must submit one of the following to show that they are entitled to receive records without charge under this paragraph:

- (1) a public assistance statement from the county or state administering assistance;
- (2) a request for records on the letterhead of the civil legal services program or volunteer attorney program based on indigency; or
- (3) a benefits statement from the Social Security Administration.

For the purpose of further appeals, a patient may receive no more than two medical record updates without charge, but only for medical record information previously not provided.

For purposes of this paragraph, a patient's authorized representative does not include units of state government engaged in the adjudication of Social Security disability claims.

Subd. 7. Withholding health records from patient. (a) If a provider, as defined in section 144.291, subdivision 2, paragraph (i), clause (1), reasonably determines that the information is detrimental to the physical or mental health of the patient, or is likely to cause the patient to inflict self harm, or to harm another, the provider may withhold the information from the patient and may supply the information to an appropriate third party or to another provider, as defined in section 144.291, subdivision 2, paragraph (i), clause (1). The other provider or third party may release the information to the patient. (b) A provider, as defined in section 144.291, subdivision 2, paragraph (i), clause (3), shall release information upon written request unless, prior to the request, a provider, as defined in section 144.291, subdivision 2, paragraph (i), clause (1), has designated and described a specific basis for withholding the information as authorized by paragraph (a).

Subd. 8. Form. By January 1, 2008, the Department of Health must develop a form that may be used by a patient to request access to health records under this section. A form developed by the commissioner must be accepted by a provider as a legally enforceable request under this section.
